

**1 x Day Legionella Awareness Course
for the Responsible Person, DUTY HOLDER and
any staff involved in control measures. Suitable
as a refresher course**

**Water Hygiene Training
Accredited Course**

**Date of Course:
9th June 2022**

**Venue: The Gallery
Cockhaven Arms Hotel
Cockhaven Road
Bishopsteignton
TQ14 9RF**

**Parking available at the
hotel in various car parks free of charge**

This one day certificated course is designed for duty holders and all staff and engineers concerned with the operation and management of water systems in buildings and who may be appointed as a Responsible Person, Duty Holder or those involved in any form of control measures such as flushing, temperature monitoring etc. The course provides delegates with knowledge about the Legionella bacteria and the skills to manage Legionella in building water systems. This course will also benefit plumbing engineers in the course of their duties as Monitoring/Remedial Engineers and to add to their competence.

**The cost of this
course is £195.00**

Ex VAT

This course incorporates HSG 274 Part 2 and the ACOP L8 4th Addition as well as the NEW HTM 04-01

This is also an excellent opportunity to refresh and catch up on what has changed and added to the regulations and guidance now in operation.

**Your tutor will be:
Mr Simon French.**

Legionella Awareness One Day WHT Course

Norfolk Property Services Ltd

Simon welcomed questions and discussions at any time throughout the course.

A very good course to identify best practice and standards necessary to achieve compliance with legal requirements.

All aspects were very good including the venue and accessibility within the south west.

Brothwell Irvine Ltd

Tutor interacted very well. Made me feel comfortable to ask questions.

I am now aware of the causes of Legionella and will be able to identify probable causes.

The training was excellent.

North Devon NHS RP1

Good Humour. Good knowledge and experience. Used actual materials & video to get message across. Really enjoyable and informative course.

I have a much more in depth knowledge of Legionella, control process & requirements. I can identify areas at NDDH requiring attention.

Excellent experience and well worth the time to attend. Good venue for engineers in the south west.

Excellent food and accommodation.

North Devon NHS RP2

Simon interacted well ensuring via good interaction with group. Necessary information which may have been lost/forgotten. Excellent Tutor.

Working in a sensitive environment as the Health Service, it is essential to appreciate the consequences of not ensuring compliance.

Excellent venue.

Health and Safety Officer -Claims Consortium Group. Have fully understood the implications of legionella testing etc.

Dental Nurse - Rock Dental Practice. Course presented very well.

Federation Premises Manager -Elmwood &Penrose Federation. Excellent presentation, easy listening, fantastic knowledge.

Warden/Team Manager - Hoburne Ltd. Well presented at a good pace for understanding.

Head Dental Nurse - Spicer Road Dental Practice. Learnt a lot from the course today. Had a clearer understanding of monitoring and testing. Very well presented and an excellent tutor who made legionella interesting.

Estates Assistant—Hospiscare Very well presented.

Headteacher - An Daras MAT. Good engagement strategies.

Show Ground Manager—Devon County Agricultural Association Very well presented & knowledgeable. Well done!

Manager - Alliance House Foundation. Really liked the info and way we were shown - Many Thanks.

Engineer - D&K Facilities Maintenance Ltd. Very enlightening and interesting course.

Office Manager—D&K Facilities Maintenance Ltd. Explains all in great detail but in a way it is easily understandable.

Estates Officer—Devon Partnership NHS Trust. Enjoyed the course, learned a lot. Good fun.

Site & Facilities Co Ordinator -Torquay Girls Grammar School. An excellent course very well conducted and easy for even a novice to understand.

Deputy Manager—South Devon Rural. Excellent delivery. Informative, friendly & approachable.

Housekeeping Warden—Hoburne Naish. Everybody needs to know this! Thanks for great information.

SBM—Evercreech & Lovington Primary School. Fabulous!

Team Leader Facilities DPT. Well presented, kept everyone's attention, brilliant. Thank you. Can we have annually?

FA—DPT. Brilliant tutor! Thank you.
